RCSC/LS-63/2016/1666

22nd November, 2016

NOTIFICATION

The 82nd Commission Meeting held on 8th November, 2016 observed that there is inconsistency in applying BCSR 2012 section 9.4.4.7. which states that DSA or related expense shall not be paid by the Government during training when DSA and other expenses are paid by the donor. It was found that some were paid 20% DSA for fully funded trainings. In this regard, the Commission would like to inform that the training offers such as MTCP, SCP, KOICA, ITEC, IVLP, NFP, JICA, etc are fully funded programmes and therefore, candidates are not eligible for 20% DSA.

Therefore all Ministries and Agencies are kindly recommended to implement accordingly with immediate effect.
