

Our heartiest congratulations to Mr. Kencho for receiving Distinction medal for Masters in Economics from the National Institute of Development Administration, Thailand. During his study, he was also the winner of excellent paper award for 175th International Institute of Engineers and Researchers (IIER) International Conference among sixteen presenters from eight different countries on the paper titled “Private returns to Education: A study on Bhutan”.

Mr. Kencho is a recipient of TICA scholarship to pursue Master in Economics from July 2016 to August 2018.
