

Allocation of weighting for Output Areas

The weighting is allocated for each output area and it is prescriptive for Teachers, Counselors and Support Staff. However, for Vice Principals, the weighting shall be as approved by the concerned Principal. Similarly for Principals, the weighting shall be as approved by the concerned DEO/TEO. Rubrics and descriptors against each output area have been prepared to guide in preparing and assessing IWP (**Annexure II**). The documentation required shall consist of mandatory requirements such as yearly plan, block plan, lesson plans, teaching-learning materials, assessment and other records as specified in the rubrics.
