Human Resource Conference 2023

A total of 88 Human Resource (HR) officials from various Ministries, Dzongkhags, Thromdes, Autonomous Agencies, and the Royal Civil Service Commission are currently participating in a 2-day HR Conference held from December 22-23, 2023 at the Professional Development Centre, of the Royal Audit Authority in Tsirang.

This HR conference is a much-awaited event since it is being held after a hiatus of four years as a result of the COVID-19 pandemic. The conference, themed '**BCSR 2023**', aims to acquaint HR officials with the BCSR 2023 to ensure consistent application of the rules in delivering HR services across the Civil Service.

Further, the conference offers team building and extensive networking opportunities, allowing participants to connect, exchange ideas, and build valuable relationships in an atmosphere of collaboration amongst the HR fraternity and teamwork. In addition, the conference provides a platform to reward and recognise Human Resource Officers who have outstanding performance and let them share their experiences and valuable insight to inspire and build competencies of HROs and HRAs.
