APPEAR program

The Royal Civil Service Commission is pleased to announce that the APPEAR program has been extended until December 2020.

APPEAR is a program of the Austrian Development Cooperation with the aim to implement its strategic support for higher education and research for development on an academic institutional level in the ADC's priority countries like Bhutan.

APPEAR will continue to fund and implement Preparatory Funding, Academic Partnerships and Master's and PhD grants as well as newly introduced Advanced Academic Partnerships, based on already finalized projects but focusing on new innovative research questions, methodologies and findings.

The 5th Call for Applications (Preparatory Funding, Academic Partnerships, Advanced Academic Partnerships, Master's and PhD grants) is open till 31 July 2015.

Application forms, guidelines and further information are available on the following link: www.appear.at/application
