

## The Sixth Retirement Planning Workshop at Tsirang on 16-17<sup>th</sup> May, 2019

The Civil Service Well-being Division, RCSC has conducted the 6th Retirement Planning Workshop for 87 civil servants with 10 years and less to superannuate. The two day workshop was conducted at Professional Development Center in Tsirang with participants from Gasa, Punakha, Wangdue, Tsirang and Sarpang Dzongkhags.

The reason for initiative is because civil servants are often caught unaware and ill prepared to deal with financial, psychological and emotional challenges that accompany separation from the Civil Service. It is also too late for remedial actions especially in case of financial challenges. Therefore, the retirement planning is an initiative to help civil servants plan their years for a better future. The objective of the retirement planning initiative is to help the civil servants plan ahead for a better future. **It is aimed at preparing the civil servants both mentally and financially for a better life after superannuation.**
