RCSC/LS-63/2019/1002

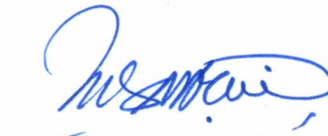

August 30, 2019

Notification

As per Section 5.6.5 of BCSR 2018, a contract employee is not eligible for transfer in view of the contract recruitment being time bound and very specific to the vacancy announced for contract recruitment. However, RCSC has been receiving numerous requests to transfer contract staff within the Dzongkhag from one work place to another workplace **within the Dzongkhag without the transfer benefits.**

Therefore, in view of the above, the 14th Commission meeting held on 27th August 2019 reviewed the proposal and approved to **allow transfer of contract employees within the Dzongkhag** to ease the administrative burden and improve efficiency in deployment of staff in Dzongkhags. The contract employees are not eligible for transfer grants or transfer benefits.

However, Section 5.6.5 of the BCSR 2018 shall continue to remain valid and inter Agency transfer shall not be applicable to the contract staff.
