29<sup>th</sup> November 2019

**PRESS RELEASE**

Subsequent to the Trongsa Dzongkhag Court verdict No. Thruenchoe (Choethrim-19-236) dated 14<sup>th</sup> November 2019 convicting Lhab Dorji, President of JDWNR Hospital, the Royal Civil Service Commission received his intention to appeal to the High Court. Considering the possibilities of different administrative actions depending on whether a person appeals or not, the Commission awaited the completion of 10 working days appeal period.

Following the completion of 10 working days appeal period, the Commission deliberated his case during the 24<sup>th</sup> (special) Commission meeting held on 29<sup>th</sup> November 2019. As provided in Section 19.10.5.4 of the BCSR 2018, factors such as matters involving corruption, embezzlement or misappropriation of Government money, possession of disproportionate assets, and misuse of official powers for personal gain, shall be considered to place a civil servant under suspension, the Commission decided to suspend his service with immediate effect until the completion of Court proceedings.

The entitlement and benefits during the suspension period shall be as per the relevant section of the BCSR 2018.
