April 21, 2020

**TRAINING DATES FOR FRONTLINE COVID – 19 RESPONDERS**

The selected civil servants for the Frontline COVID – 19 Responder will be trained for 6 days by KGUMSB. The training will be conducted in 10 batches at four different locations as per the schedule attached herewith.

We would like to inform all that we received more than 1100 volunteers but due to the strict criteria applicable to be a Frontline COVID-19 Responder, only 184 civil servants qualified. The Commission would like to offer our gratitude to all who have signed-up and uplifting the spirit of volunteerism in such unexceptional times.

For your information, since this is a voluntary assignment you have signed, MoH would be providing only refreshments.
