Postponement of the Main Examination of the BCSE 2020

The Royal Civil Service Commission would like to inform the registered graduates that the Main Examination (ME) of the BCSE 2020 scheduled for January 8 - 10, 2021 has been deferred indefinitely due to the current Covid-19 pandemic situation.

The Commission will reschedule the ME after taking into considerations the pandemic situation and the safety of the candidates. We urge all graduates who have registered to be prepared for a shorter time period between our announcement of the revised ME schedule and the conduct of the examinations. However, adequate provisions in terms of time considerations will be made to suit the travel (including quarantine) requirements of candidates, where applicable.
