

Welcoming Virtually - Ten newly appointed Human Resource Officers (PGDPA)

In a pandemic lock-down it is only appropriate to move on by maximising on the available technology at our disposal. The RCSC Secretariat as the Parent Agency of Human Resource Officers across the Civil Service Welcomed our ten newly appointed Human Resource Officers virtually. The Director General and the Head of the Divisions offered the young colleagues a heartfelt Tashi Delek on successful completion of the Post Graduate Diploma in Public Administration (PGDPA) from RIM and warmly welcomed them to the HR fraternity.

The Officers were appointed on 1st January 2021 and joined RCSC and respective Working Agency virtually. Following the welcome session, the new colleagues will undergo a 14 days onboarding program virtually. The RCSC would like to thank RIM for continuously hosting the officers and providing the facilities to do the on-boarding program virtually. We look forward to welcoming them in person once we come out safely from this pandemic situation.

Wishing all a successful career in the Civil Service.

Stay home, Stay Safe!
