

Press release

To promote health and wellbeing of the civil servants, the wellbeing Division, RCSC in collaboration with JDWNRH has organized a **Health Camp Program** to provide the Basic Health Check-ups for civil servants working in and around Tashichhodzong.

The program is being conducted with the objective to promote health and wellbeing of the civil servants and to enhance their productivity in the workplace through early detection and prevention of the diseases.

A total of 776 civil servants from MoHCA, NEC, HMS, GNHC, MoF, MoAF and RCSC has availed the services during the 10 days event held at Tourism facilitating counter area near RCSC from 12-26th October, 2021.

The RCSC will work with JDWNRH to extend this services to the rest of the civil servants around Thimphu and also work with Dzongkhags.
