ANNOUNCEMENT-1

Thimphu and some Dzongkhags have been affected by heavy snowfall today. In order to ensure safety the Prime Minister Office has directed all the public institutions in these Dzongkhags to remain closed but continue to provide uninterrupted services as per the “Work-From-Home” protocols.

Therefore, all Ministries, Agencies and Dzongkhags closed due to snowfall, are required to ensure services are active and running by reactivating work-from-home for today. The return to office will be announced by RCSC subsequently.

All concerned are requested to kindly cooperate. Stay safe.
