RCSC/LD-63/2022/4044

April 27, 2022

**Recruitment through Open Competition to remain in Abeyance till Further Notice**

The Royal Civil Service Commission (RCSC) is working closely with our executives to accelerate efforts to transform the Civil Service. These efforts will result in a fundamental shift and overhaul of the manner in which we deliver public services for our people, and how we organize our Civil Service agencies to do so. Furthermore, RCSC is working towards streamlining and strengthening its personnel management systems.

Emanating from these efforts, changes in Agency structures and positions are likely to occur. Hence to preempt disruptions, the Commission during its 136th Commission Meeting held on April 26, 2022 decided to keep on hold all recruitment through open competition until further notice.
