Shortlisting of candidates for the King’s Scholarship 2022

The Royal Civil Service Commission in collaboration with the Department of Adult and Higher Education, Ministry of Education is pleased to announce the candidates shortlisted for the King’s Scholarship against the subject areas mentioned below.

The King’s Scholarship is the most prestigious scholarship to be awarded for undergraduate studies to the best and the brightest. A set of stringent criteria that recognizes academic excellence (50%) and aptitude as assessed by a psychometric test (25%) were applied for the shortlisting by a panel of experts.

The candidates fulfilled one of the two criteria mentioned below and have been accordingly shortlisted for the actual interview.

- 1) 81% and above in the BHSEC result {Calculated with different weighting (English + three subjects) in core subjects for Big data/AI, Mathematics, Agriculture Science and Applied Economics. Calculated with equal weighting in all subjects (English + three subjects) for International relations, Public Policy & Education}
- 2) 81 percentile and above in the psychometric test.
