Invitation of participants for Leadership Development Programme for P2

The Royal Institute of Management (RIM) is conducting a Leadership Development Programme (LDP) for civil servants in P2 level position of the Professional and Management Category (PMC). This development program is conducted in collaboration with the Royal Civil Service Commission (RCSC).

This programme is intended to bring the desired mindset and behavioural change in the future leaders as required by the Leadership Capability Framework. The LDP consist of various modules and the first module is scheduled for 24-25 November, 2022. The whole program will be completed over a period of 4-6 months.

In order to optimise the learning from the program, participants will be required to complete assignments before attending the workshop and complete learning and assessment activities during and after the module workshops. During the course of the program, participants will develop a *Leadership Change Project* which should be implemented as a post workshop assignment.

Eligible P2 civil servants fulfilling the eligibility criteria are requested to register for the course (click here for registration) on or before **11 November, 2022**. All applicants are required to submit a statement of intent along with the application. Final selection results will be communicated via email on 15 November, 2022.
